

**Monday May 15, 2006**

7:00am - 8:00pm	Registration Open - CITY HALL LOBBY												
6:00pm - 8:00pm	Wireless Enterprise Symposium 2006 Welcome Reception in the Solutions Showcase - Florida E&F												Open 2hrs

**Tuesday May 16, 2006**

7:00am - 8:00pm	Onsite Registration Open - CITY HALL LOBBY											Hands On-Lab 8:00am - 5:00pm		
7:00am - 8:00am	Breakfast - Ballroom LOBBY													
8:00am - 10:00am	<b>General Session OSCEOLA C &amp; D</b> Ellen Daley, Vice President, Research Director of Forrester Mike Lazaridis, President Co-CEO of Research In Motion Intel Keynote													
10:00am - 10:15am	Refreshment Break													
10:15am - 11:15am	Building Your Wireless Security Vision Session Code L556	BlackBerry In-depth Attachment Service Session Code M321	Wireless Sales Force Automation Drives Sales for Addidas America Session Code V483	BlackBerry Enterprise Server v4.1 Feature Overview Session Code M103	The Security Behind BlackBerry Session Code M134	BlackBerry for WLAN - Supporting the Corridor Warrior Session Code M139	Overview of Development Options for BlackBerry Session Code D140	Develop Your Own Apps. Access Them Anywhere Session Code V481	The Competitive Realities of Handhelds Session Code U569	Mobilize Reporting & Help Desk Applications in 30 Days Session Code V406	Solutions Showcase Open 10:00am - 2:00pm 5:00pm - 7:00pm		Ask the Experts 10:00am - 3:00pm	
11:15am - 11:30am	Session Break													
11:30am - 12:30pm	Mission Critical Wireless Opportunities for Mobilizing COOP and Emergency Procedures Session Code L567	BlackBerry In-depth Enterprise Activation Session Code M323	BlackBerry and Broadband Access: Keeping Your People Connected Session Code V485	Instant Messaging for BlackBerry Session Code M104	Monitoring Your BlackBerry Enterprise Server Session Code M205	BlackBerry in a Novell GroupWise Environment Session Code M119	Introduction to BlackBerry MDS Studio Session Code D141	Increase Visibility in Your Enterprise Through Mobile Dashboards & Reports Session Code L568	Mobile & Wireless in Financial Services and Professional Services Session Code U570	Extending Office Document Workflow to Mobile Devices Session Code V494				
12:00pm - 2:00pm	Lunch served in the Solutions Showcase													
2:00pm - 3:45pm	<b>General Session OSCEOLA C &amp; D</b> Jerry Linenger, Former NASA Astronaut and Author <i>The Sky Is Not the Limit: My 132 Days Off the Planet</i> Florida State Governor, Jeb Bush													
3:45pm - 4:00pm	Session Break													
4:00pm - 5:00pm	Upgrading to BlackBerry Enterprise Server v4.1 for Novell Group Wise Session Code M211	Disaster Recovery and Business Continuity Planning Session Code M213	Leveraging Enterprise-grade Location Services Applications to Enhance Productivity and Improve ROI Session Code V486	Upgrading to BlackBerry Enterprise Server v4.1 for Microsoft Exchange Session Code M209	Upgrading to BlackBerry Enterprise Server v4.1 for IBM Lotus Domino Session Code M210	Managing the Wireless Solution Lifecycle in a Large, Global Organization Session Code M226	Best Practices for Mobilizing Browser-based Applications Session Code D244	Mobility in the Services Industry Session Code L559	Wireless Professional Profile Session Code U571	Mobile Access: Bringing Network Administration to the Next Level Session Code V497	Ask the Experts 3:30pm - 5:00pm			
5:00pm - 7:00pm	Cocktail Reception in the Solutions Showcase													
7:00pm - 11:00pm	Wireless Enterprise Symposium 2006 Party													

**Wednesday May 17, 2006**

7:00am - 6:00pm	Registration Open - CITY HALL LOBBY												
8:00am - 9:00am	Breakfast - Ballroom LOBBY												
9:00am - 10:00am	Transforming the Art of the Deal in the Wireless World Session Code L563	Implementing BlackBerry Security Session Code M235	Unisource Uses T-Mobile for Sales Force Automation: Empowering Sales Teams with On-Demand Capabilities Session Code V484	Tsupport Overview Session Code M133	Upgrade Considerations for a Multi-BlackBerry Enterprise Server Environment Session Code M212	Database Management for the BlackBerry Enterprise Server Administrator Session Code M207	Developing Server-Side Push Applications Session Code D243	Wireless Strategy Workshop Part 1: Identifying Wireless Opportunities in your Enterprise Session Code L557	The Competitive Realities of Wireless Middleware Session Code U573	Best Known Methods Moving from SP 3.6 to BES 4.0 Session Code V488	Solution Showcase Open 9:00am - 2:00pm	Ask the Experts 9:00am - 2:00pm	
10:00am - 10:15am	Refreshment Break												
10:15am - 11:15am	Strengthening Field Service Capabilities through Wireless Empowerment Session Code L564	Fixed Mobile Convergence in the Enterprise Session Code V401	BlackBerry in a Microsoft Environment Session Code M117	Troubleshooting BlackBerry 101 Session Code M129	Advanced Development with BlackBerry MDS Studio Session Code D245	Wireless Strategy Workshop Part 2: Building the Business Case for Wireless Opportunities Session Code L558	Mobile & Wireless in Government Session Code U574	How On-Demand, Multi-Backend Mobile Applications Are Transforming Field Sales and Service Organizations Session Code V496					
11:15am - 11:30am	Session Break												

11:30am - 12:30pm	BlackBerry Connect: TNT and Symbian Present a Case Study on the Power of Choice Session Code M408	Introduction to Mobilizing Custom Enterprise Applications and Databases Session Code D251  * Session is 90 min 11:30am - 1:00pm*	Mobility in Manufacturing Session Code L561	BlackBerry Device Tips and Tricks Session Code M128	Mobile Data System Session for the BlackBerry Enterprise Server Administrator Session Code M114	BlackBerry in an IBM Lotus Notes Environment Session Code M118	Java Development - Integrating with Bluetooth, GPS and Peripherals Session Code D248  * Session is 90 min 11:30am - 1:00pm*	Mobility in the Public Sector and Healthcare Session Code L560	Network Evolution The Future of WAN and WLAN Session Code U575	GPS Navigation for Mobile Professionals - Lower: Stress-level, Costs, while Maximizing Productivity Session Code V479	Hands On-Lab 8:00am - 5:00pm		
12:00pm - 2:00pm	Lunch served in the Solutions Showcase												
2:00pm - 3:30pm	General Session OSCEOLA C & D Michael D. Rhodin, General Manager and Workplace Portal and Collaboration Software, IBM Software Group Steven Levitt, Professor at the University of Chicago Economics Department and Author of <i>Freakonomics</i>												
3:30pm - 3:45pm	Refreshment Break												
3:45pm - 4:45pm	Java Development Code Optimization and Memory Management Session Code D346	*Session is 90 minutes 3:45pm - 5:15pm Encrypted Messaging Session Code M236	AppForge Crossfire, Delivering the Microsoft Visual Studio Developer Community to BlackBerry Users Worldwide Session Code V498	*Session is 90 minutes 3:45pm - 5:15pm Deploying BlackBerry Software Session Code M216	*Session is 90 minutes 3:45pm - 5:15pm Managing Your BlackBerry Deployment with the BlackBerry Enterprise Server Resource Kit Session Code M206	BlackBerry In-depth BlackBerry Enterprise Server Management Database Session Code M322	* Session is 90 minutes 3:45pm - 5:15pm Mobilizing SAP Web Services with BlackBerry MDS Studio Session Code D254	From Highways to Hallways, How Mobile Demands are Evolving Session Code L562	Mobile & Wireless in Campus Environments Session Code U572	Content Beamer Mobile Document Output System in Practice Session Code V487		Ask the Experts 3:30pm - 5:00pm	
<b>Thursday May 18, 2006</b>													
7:00am - 5:00pm	Registration Open - CITY HALL LOBBY												
7:30am - 8:30am	Breakfast - Ballroom LOBBY												
8:30am - 10:00am	General Session OSCEOLA C & D Symbian Keynote HP Jin, CEO and President, TeleNav												
10:00am - 10:15am	Refreshment Break												
10:15am - 11:15am	Java Development Using Listeners and Advanced System Interfaces Session Code D347	BlackBerry Trust But Verify Session Code M137	BeSteaht Leverages Regard R-Approval, BlackTRACK and Staging Services to simplify their BlackBerry deployment and management procedures Session Code V410	Cool BlackBerry Applications for Your Users Session Code M130	BlackBerry In-depth BlackBerry Enterprise Server Internal Architecture Session Code M325	Improve Productivity Through Innovation Session Code V480	Embracing Your Inner Wireless Visionary Session Code L556	Future Trends and Features in Mobile & Wireless Session Code U576	Software Spectrum Streamlines 2,200-Device Deployment for NCR Session Code V489		Solution Showcase Open 10:00am - 2:00pm	Ask the Experts 10:00am - 4:30pm	
11:15am - 11:30am	Session Break												
11:30am - 12:30pm	Mobilizing IBM Lotus Domino Applications to BlackBerry Session Code D253  * Session is 90 min 11:30am - 1:00pm*	Designing a BlackBerry Infrastructure Session Code M220	Mobile Mapping and Navigation for BlackBerry Users Worldwide Session Code V403	BlackBerry Enterprise Server Future Roadmap Session Code M101  * Session is 90 min 11:30am - 1:00pm*	BlackBerry In-depth BlackBerry Enterprise Server MAPI Thread Model for Microsoft Exchange Session Code M324	Mobilizing Microsoft .NET Applications to BlackBerry Session Code D252  * Session is 90 min 11:30am - 1:00pm*	Presentation The Evolution of Wireless Applications: What's New and What's Next Session Code L565	Enterprise Mobility Vertical Trends and Analysis Session Code U577	Moving Beyond Wireless Email: Enabling Enterprise Applications for BlackBerry Session Code V402				Hands On-Lab 8:00am - 5:00pm
12:00pm - 2:00pm	Lunch served in the Solutions Showcase												
2:00pm - 3:00pm	Building Themes and Rich-Media Content for BlackBerry Devices Session Code D142	BlackBerry Security Roadmap and Interactive Discussion Session Code M138	Troubleshooting Applications from a Developer's Perspective Session Code D250	Best Practices for Managing your BlackBerry Environment Session Code M208	Advanced Debug Log Analysis Session Code M231	Securing Your Custom Applications Session Code D349	* Session is 2 hours 2:00pm - 4:00pm Exploring the Future of Wireless Session Code L555	Battling Buzzwords: What is Convergence Session Code U578	Mobile Managed Services Montage: Leveraging Ancillary Services to Optimize Your BlackBerry Session Code V405				
3:00pm - 3:15pm	Refreshment Break												
3:15pm - 4:15pm	Birds of a Feather Session: Developing Custom Applications for BlackBerry Session Code D143		Future Technologies with Upgrading Handheld Software Session Code M102		Supporting Global Users Session Code M127  *Session is 90 min 3:15pm - 4:45pm*	Managing BlackBerry Applications and User Access Session Code M215	Exploring the Future of Wireless Session Code L555  * Session Continued 2:00pm - 4:00pm	Birds of a Feather Session: BlackBerry Enterprise Server for Applications Session Code D140
